EXPERIENCE –

Executive Director, Park Rx America, Washington DC, April 2017 to present

Organizational development, strategic planning, and fund raising for a new 501(c)(3) charitable organization. Park Rx America promotes the concept of doctors prescribing visits to parks and other natural areas, so patients can receive the therapeutic benefits of being in nature.

Accomplishments: Doctors prescribing in the states of Maryland and Washington, and the District of Columbia. Park Prescription model featured on NBC Nightly News, November 2017

Founder and President, Green Spaces for DC, Washington, DC, August 2011 to present

Organizational development, strategic planning, and fund raising for a new 501(c)(3) charitable organization. Green Spaces for DC provides fiscal sponsorship services for unincorporated groups that require 501(c)(3) charitable status to qualify for grants and partnerships.

Accomplishments: Green Spaces for DC sponsors ten organizations.

Research and Evaluation Manager, The Maryland-National Capital Park and Planning Commission, Parks and Recreation Prince George's County, 6600 Kenilworth Avenue, Riverdale Park, MD, July 2008 to July 2017.

Project Manager for CAPRA (Commission for Accreditation of Park and Recreation Agencies) reaccreditation, manager of performance measurement program. Project manager for *Formula 2040 Functional Master Plan for Parks, Recreation and Open Space* and health and wellness action plan.

Accomplishments: *Parks & Recreation: 2010 and Beyond* needs assessment, departmental performance measures, 2014 CAPRA reaccreditation, *Formula 2040 Preliminary Functional Master Plan for Parks, Recreation and Open Space*

Standards and Practices Officer, The Maryland-National Capital Park and Planning Commission, 6611 Kenilworth Avenue, Riverdale Park, MD, July 2004 to July 2008.

Advise departments and divisions of the Commission on performance management, facilitate strategic planning, and manage accreditation maintenance.

Accomplishments: CAPRA Accreditation, Bi-County Strategic Plan, Commission-wide performance measures, Investigative reports on Needwood Golf Course, Prince George's Park Police, and Olney Manor Park lighting bid protest, project status report on Carry-In, Carry-Out Trash program, project status analysis of Commission EEO/Affirmative Action Plan, training program on program evaluation and performance measurement

Chief, Redevelopment Authority of Prince George's County, 9201 Basil Court, #155 Largo, MD 20774, April 2001 to May 2003.

Chief of staff of staff of a governmental agency charged with the economic revitalization of inner-beltway communities in Prince George's County, Maryland outside the District of Columbia. The position managed a staff of 21 with direct report to an Executive Director and Board of Directors. The annual operating budget was \$2.5 million. Projects included land acquisition and relocation for an \$80 million redevelopment of a 33-acre site in Suitland, Maryland and a \$51 million project to develop live-work residences in three municipalities. Financing tools includes low interest loans, grants, loan guarantees, revenue bonds, tax increment financing, and tax credits. Projects featured extensive community involvement and partnerships with local community development organizations.

Accomplishments: Acquired \$10 million of residential and commercial property, including two office buildings via eminent domain, relocated 100 households and five businesses, facilitated successful application for \$6.5 million in low-income housing tax credits and \$8 million in HUD sec. 202 grant assistance, obtained state certifications for Gateway Arts and Entertainment District and Anacostia Trails Heritage Area.

Director of Research Planning and Evaluation, Chicago Park District, 425 E. McFetridge Drive, 60605, August 1998 to December 1999.

Represented the Park District on the NeighborSpace Board of Directors and the City of Chicago Public Art Committee. Managed a seven-person professional staff. Head the Chicago Park District Real Estate Committee, which typically facilitated 40+ simultaneous land assemblies. Leader of property acquisition task force. Represented the Park District on Midway Plaisance working group at University of Chicago. *Accomplishments:* Burnham Park Framework Plan, Jackson Park Framework Plan, South Shore Cultural Center Framework Plan, Midway Plaisance Master Plan.

Manager of Research and Planning, Chicago Park District, 425 E. McFetridge Drive, 60605, February 1994 to July, 1998 and January 2000 to April 2001.

Prepared \$300 million lakefront reconstruction plan with the City of Chicago and the U.S. Army Corps of Engineers. Project manager for the \$6.5 million reconstruction of Casino Beach Jetty in Jackson Park. Part of the management team of a major initiative to cultivate the values of customer service and quality management at local parks -- responsibilities included project monitoring and evaluation and community outreach (Neighborhoods First: A Program Quality Initiative). Represented the Chicago Park District on the working group (along with the City of Chicago and the Cook County Forest Preserve District) that prepared a citywide open space plan for Chicago.

Accomplishments: CitySpace Plan (long range open space plan for Chicago), Shoreline Protection Plan for Chicago, NeighborSpace Corporation (turns vacant land into community gardens), Developer Openspace Contribution Ordinance, School Park Campus Program.

Planning Supervisor, Chicago Park District, 425 E. McFetridge Drive, 60605, October 1989 to January 1994.

Supervised policy planning, facilities and preservation divisions of the Office of Research and Planning. Responsible for long-range planning for regional park facilities, including Lincoln Park, Grant Park. and the South Shore Cultural Center. Coordinated strategic planning effort for the District. Team leader/facilitator for "Models of Excellence" total quality management projects sponsored by the Government Assistance Project of the Chicago Community Trust.

Accomplishments: Lincoln Park Framework Plan, Lake Shore Drive Median, Grant Park Design Guidelines., 1990 Land Policies Plan, 1993 Parkland Needs Analysis, Sculpture Conservation Program

Acting Director of Planning, City of North Chicago, Illinois, November 1988 to April 1989.

Analyzed and made recommendations on current zoning and annexation cases to the mayor and zoning board. Prepared a land disposition strategy for urban renewal land. Recruited and interviewed candidates for a full-time planner.

Accomplishment: Draft land disposition agreement for former urban renewal zone.

Corporate Counsel and Executive Director, William E. Brazley & Associates, Ltd. (Architects and Construction Managers), Matteson, Illinois, June 1987 to September 1989.

Prepared and reviewed contracts and specifications, handled zoning, annexation and real estate issues, prepared proposals and marketing materials, and acted as in-house planning expert.

Accomplishments: Northwest Airlines Cargo Building at O'Hare International Airport, City of Chicago Boulevards Study

Director of Planning and Development, City of Harvey, Illinois, November 1984 to May 1987.

Handled all planning, zoning, economic development and building matters for a municipality of 36,000 persons. Managed staff of 14. Position included functions of Building Commissioner and Zoning Administrator, plus management of tax increment financing district, enterprise zone, and development of a small business incubator.

Accomplishments: Residential Occupancy Certification Program, State of Illinois Enterprise Zone Designation, Establishment of South Suburban Technology Enterprise Center

Associate, William D. Markle & Associates (Construction Consultants), Chicago, Illinois, November 1982 to November 1984.

Prepared construction evaluation reports, managed survey research projects for Greater State Street Council and Urban Investment and Development Company.

Accomplishments: Greater State Street Council Survey, Hawthorne Center User Preference Survey (Vernon Hills, IL).

Project Manager and Principal Planner, Perkins & Will Architects and Engineers, Chicago, Illinois, November 1980 to November 1982.

Prepared site analyses for transport facilities in Chicago and Saudi Arabia, reuse feasibility studies for six suburban elementary schools, and an inner-city college master plan for the City of Milwaukee, Wisconsin.

Accomplishments: Concordia College Master Plan (Milwaukee, WI), Saudi Arabia Public Transport Study, Functional Design Specification for new Chicago Post Office.

Housing Planner, Cook County Department of Planning and Development, Chicago, Illinois, 1973 to 1980.

Prepared County Manual of Housing Rehabilitation Policies and Procedures, prepared Housing Assistance Plan for the Community Development Block Grant Program, and conducted housing, zoning, and land-use research.

Accomplishments: Cook County Housing Assistance Plan, Manual of Housing Rehabilitation Policies and Procedures.

Planner, Carl L. Gardner & Associates, Inc. (Land Planners), Chicago, Illinois, 1970 to 1973.

Prepared comprehensive plans, corridor studies, court exhibits, historic preservation studies, and cost-benefit analyses. Performed land use and traffic surveys.

Accomplishments: Route 47 Corridor Study (Grundy County, IL), Shelby County, Indiana Master Plan.
